

# MAITRES DU TEMPS

**WITH ITS ELEGANT, STREAMLINED FORM, INNOVATIVE INDICATIONS, AND ERGONOMIC FUNCTIONS, CHAPTER ONE BELIES THE COMPLEXITY OF ITS UNIQUE MOVEMENT.**

This watch features a tourbillon movement incorporating a mono-pusher column wheel chronograph, retrograde date, retrograde GMT, phase of the moon and day of the week indications displayed on their own distinctive rolling bars. A myriad details make Chapter One a timepiece that richly rewards a closer look, from the small window that allows a view of the tourbillon cage, to the series of mirror-polished angled surfaces catching and reflecting light. The scintillating moon and stars on the outer roller of the moon phase indication add to its stellar elegance. Manufactured in 18-crt red gold with an Alligator strap, it is a timepiece of exceptional presence and refinement.
