

LUXEFINDER

ROLL CALL

Expanding upon its Chapter One collection, Maîtres du Temps introduces a limited edition 18-karat rose gold version of its signature complicated timepiece. \$420,000, 570.970.8888, maitresdutemps.com

INFORMATION

Complications include monopusher chronograph with 60-minute counter, retrograde date and GMT, one-minute tourbillon, day of the week and moon phase indication on rollers.

SOPHISTICATION

The watch is built from 662 finely finished and decorated components. Its Caliber SHC02 comprises 558 of these, including 58 jewels.
